

## HOW DUES ARE CALCULATED

NTFPAU dues are assessed on May 1 and November 1 each year and consist of a minimum amount (base dues) plus a percentage of your AFTRA earnings during the previous year (work dues). Work dues are calculated on the first \$100,000 at 0.743% and on earnings above \$100,000, at 0.137%. Dues are not calculated on earnings over \$250,000; members earning more than that amount pay the maximum dues. Members who earn less than \$2,000 pay only the base dues amount of \$63.90.
